The National Garden Bureau has declared 2008 the Year of the Rudbeckia. In honor of this occasion Goldsmith Seeds is proud to introduce the world's first F1 hybrid Rudbeckia, 'TigerEye'.

Home gardeners will love 'TigerEye's' even habit and loads of durable, eye-catching flowers. These 16 – 24" plants make a strong statement over a wide range of conditions, weathering heat and humidity while offering reduced sensitivity to Powdery Mildew and requiring minimal care.

Goldsmith SEEDS
